

Arrow 5-in-1 Multi-Tacker

T501

- **5-in-1 Fastening Versatility** – Accepts T50 flat-crown staples, JT21 thin-wire staples, T25 round-crown staples, and 18-gauge brad nails (up to 5/8"), allowing one tool to handle carpet, crafts, wiring, trim, upholstery, and more.
- **Adjustable High/Low Power Settings** – Lets users match fastener penetration to the material, improving control and preventing surface damage.
- **Compact, Lightweight Construction** – Enhances mobility, reduces fatigue, and makes extended projects more comfortable.
- **Ergonomic Grip** – Provides better handling, comfort, and control during repetitive use.
- **Fast Bottom-Load Mechanism** – Drop-in loading speeds up reloading and minimizes downtime on the job.
- **Color-Coded Fastener Guide** – Helps quickly identify and select the right fastener type for wood, carpet, siding, fabric, wiring, and more.
- **Improved Efficiency & Accuracy** – Combines power adjustability, quick loading, and an ergonomic design to help complete projects faster with consistent results.
- **Ideal for Multiple Applications** – Perfect for upholstery, woodworking, crafting, insulation, low-voltage wiring, fencing, and general home or professional tasks.

Product Information:

Brand	Arrow Fastener
Pack Weight	0.510 Kg
Package Dimensions	0.12 x 0.23 x 0.035 m
Color	Red
Material Type	Alloy Steel
Part Number	T501EU
